Milk prediction form

A screenshot of the 'Milk Prediction Form' web page. The form is titled 'Milk Prediction Form' and is set against the same milk splash background as the home page. It contains several input fields: 'pH:' with a text box containing '6.6', 'Temperature:' with a text box containing '35', 'Taste:' with a dropdown menu showing 'No', 'Odor:' with a dropdown menu showing 'No', 'Fat:' with a dropdown menu showing 'Yes', and 'Colour:' with a text box containing '255'. A green 'Submit' button is located to the right of the 'Colour' field. The browser's address bar shows '127.0.0.1:5000/predict'. The Windows taskbar and system tray are visible at the bottom, matching the first screenshot.

Predicted grade of the milk
